The Company is updating the time of this conference call to 6:00 p.m. Eastern Time on May 6th. The prior release has been updated as follows:

K2M Group Holdings, Inc., a global medical device company focused on designing, developing and commercializing innovative and proprietary complex spine technologies, techniques and minimally invasive procedures, today announced plans to release first quarter of fiscal year 2015 financial results after market close on May 6th.

Management will host a conference call at 6:00 p.m. Eastern Time on May 6th to discuss the results of the quarter and to host a question and answer session. Those who would like to participate may dial 888-438-5535 (719-325-2452 for international callers) and provide access code 2852908 approximately 10 minutes prior to the start of the call. A live webcast of the call will also be provided on the investor relations section of the Company's website at <http://Investors.K2M.com/>.

For those unable to participate, a replay of the call will be available for two weeks at 888-203-1112 (719-457-0820 for international callers); access code 2852908. The webcast will be archived on the investor relations section of the Company's website.

About K2M

K2M Group Holdings, Inc. is a global medical device company focused on designing, developing and commercializing innovative complex spine and minimally invasive spine technologies and techniques used by spine surgeons to treat some of the most difficult and challenging spinal pathologies. K2M has leveraged these core competencies to bring to market an increasing number of products for patients suffering from degenerative spinal conditions. These technologies and techniques, in combination with a robust product pipeline, enable the Company to favorably compete in the global spinal surgery market. Additional information is available online at www.K2M.com.

Forward-Looking Statements

Certain statements made in this press release may constitute "forward-looking statements" within the meaning of the federal securities laws. Forward-looking statements are based on management's expectations, estimates, projections, and assumptions. These statements are not guarantees of future performance and involve certain risks and uncertainties, which are difficult to predict. Therefore, actual future results and trends may differ materially from what is forecast in forward-looking statements due to a variety of factors. Additional information regarding these factors is contained in the Company's Annual Report on form 10-K filed with the SEC.
