

K2M Group Holdings, Inc. Announces Pricing of Its Initial Public Offering

LEESBURG, Va., May 7, 2014 (GLOBE NEWSWIRE) -- K2M Group Holdings, Inc. (the "Company"), a global medical device company focused on designing, developing and commercializing innovative and proprietary complex spine technologies, techniques and minimally invasive procedures, today announced the pricing of its initial public offering of 8,825,000 shares of common stock at a price of \$15.00 per share. In addition, the selling stockholders named in the registration statement have granted the underwriters a 30-day option from the date of the prospectus to purchase up to 1,323,750 additional shares of common stock at the initial public offering price, less underwriting discounts. The Company will not receive proceeds from any exercise by the underwriters of their option to purchase additional shares from the selling stockholders.

The common stock is expected to begin trading on The NASDAQ Global Select Market on May 8, 2014 under the trading symbol "KTWO."

The Company expects to receive net proceeds from the offering of approximately \$120.0 million, after deducting underwriting discounts and estimated offering expenses. The Company intends to use the net proceeds from the offering to retire all indebtedness outstanding under the notes held by certain of its shareholders, to repay all of the outstanding borrowings under its asset-based revolving credit facility, to pay all accumulated and unpaid dividends on its Series A redeemable convertible preferred stock and its Series B redeemable convertible preferred stock, and for working capital and general corporate purposes.

Piper Jaffray & Co., Barclays Capital Inc. and Wells Fargo Securities, LLC are acting as joint book-running managers for the offering. William Blair & Company, L.L.C. and Cowen and Company, LLC are acting as co-managers.
